February 2018

Dear Member,

According to our records at the time of writing, your 2019 subscription has not yet been received.

We hope that you will consider it worth renewing your membership of the Association.

The benefits of the various discounts offer excellent value for the subscription of just £20.00 for this year.

Also we have Parking Permits available in St Peter Port Harbour areas and at St Sampson depending on where your mooring is, details from the Secretary. In addition, and possibly more important, the Association exists to represent your interests as a boat owner, whether you have a mooring in one of the bays, in the harbours, or trailer your boat to the water each time you use it. In the event that you have given up boating, and or no longer wish to remain a member of the GBA, we thank you for your support in previous years and will not trouble you with any further correspondence.

Subscription's can be paid at Seaquest in St Peter Port, Marine and General Chandlers at St Sampsons' in cash or cheque only or by post at this address payable to GBA.

If you have just recently paid your subscription to the chandlers or to myself directly, please ignore this reminder.

Yours Sincerely

Jeremy Witham
Secretary
Guernsey Boatowners Association
